The Lighthouse Charity Team ~ Hurricane Ike Assistance

Dear Family, Friends, Sponsors and Acquaintances',
(If you receive this in duplication, I apologize. I want to get it to as many people as fast as I can.)

The Lighthouse Charity Team has been contacted by several organizations providing assistance in the relief efforts for Hurricane Ike Victims. Our team immediately supported our local Office of Emergency Management, our City Employees, our Police, Fire and EMT departments with 3 meals a day as they responded to our community of Friendswood.

Our teams and equipment are already mobilized and stationed at the Moody Memorial Methodist Church in Galveston. We are now gearing up to provide much needed support to our neighbors **and fellow team members** in Galveston who experienced damage and devastation. We are providing a minimum of 2 meals per day for hundreds of Emergency workers including the Galveston Police and Fire Departments, various municipalities and many other rescue and recovery groups as well as anyone else who needs our services. This effort will continue until the Galveston Infrastructure is up and running. With our Galveston Team Members and the entire area being severely impacted, we greatly appreciate ANY and ALL assistance you can provide.

This letter is a request for FUNDS and RESOURCES. This is a long term effort and we will need a tremendous amount of BOTH.

If you, your company, your neighbors or anyone else you know is in a position to donate funds, **please make your checks payable to Lighthouse Charity Team with a notation for Hurricane Relief**. If you or your company need additional information on our group, please visit our website at www.lighthousecharityteam.com. **When going to our website please click on Help Us Support Ike Victims and PAYPAL is there.**

If you, your company, your neighbors or anyone else you know is in a position to donate time, please contact us via phone or email with your contact information. We will be creating a schedule of available resources to support these relief efforts over time. **Our volunteers are our strongest asset**. We will need to rotate crews so that we can avoid burnout / exhaustion / fatigue. If your time is limited, we still need volunteers to provide phone support as well as local support at our home base in Friendswood. If you provide your name and information, you will be contacted. PLEASE PROVIDE YOUR CONTACT INFORMATION TO SCOTT GORDON at 713.823.5989, SUZIE FLEMING at 713.248.8602 or via email at lgthse@swbell.net or suzie@fbi-llc.com.

I ask that you pass this letter to everyone you know. Print it, email it, talk about it. GET THE WORD OUT!! Thank you in advance for your generosity, courage and love.

~~ CASH, CHECKS, CREDIT CARDS are Gratefully Accepted ~~
